

OUR YEAR IN NUMBERS

Here's a snapshot of what you have helped us to achieve in 2022 — only possible with your donations for which we are exceptionally grateful.

Over **1,000** advocacy and advice support sessions welcoming an average of **25** individuals each week to our advice service

Provided hot evening meals to all emergency housed clients **7** days a week for **16** weeks

Provided **32** emergency accommodation placements in winter 20/21 and **17** in winter 21/22

Carried out **16** well attended homeless support and discussion group sessions

Our volunteers gave more than **7,500** hours of support. Without them, we simply couldn't run the service

Provided housing to **16** clients through hosts, **21** clients with private landlords and **5** clients with housing associations

Being a local charity, our running costs are low, for every **£1 donated 97.9p** goes directly to supporting people suffering or at risk of homelessness in Bromley.

"As soon as I stepped in I got counselling and I got told to do this and that...and from that first time I came in here, a weight was taken off my shoulders... The people I've worked with here [Bromley Homeless], they all seem to actually care, that's the most amazing thing. I actually have trust in these people." Zac, a Bromley Homeless Client, recently rough sleeping in Bromley.

What your donations could provide:

- **£10 donation**, a hot meal, a listening ear, an oyster top-up, take first steps out of homelessness
- **£30 donation**, 1-2-1 advice & support session with our specialist advisers helping in the journey to a safe home
- **£60 donation**, one night's emergency accommodation for someone who may otherwise have no option but to sleep rough
